

Java socket server http

# błędny endpoint zwraca 404

# books.html bez żadnych książek

# addBook.html

The screenshot shows a web browser with a form titled "Formularz dodawania książek" (Book Addition Form). The form contains the following fields:

- Title:
- Author name:
- Author surname:
- 

The right side of the image shows the Chrome DevTools Network tab. It displays a list of network requests:

Name	Size	Type	Initiator	Size	Time	Waterfall
addbook.html	200	doc	Other	118...	4 ms	
style.css	200	styl	addbook	375...	22...	
fontawesome	200	font	Other	375...	14...	

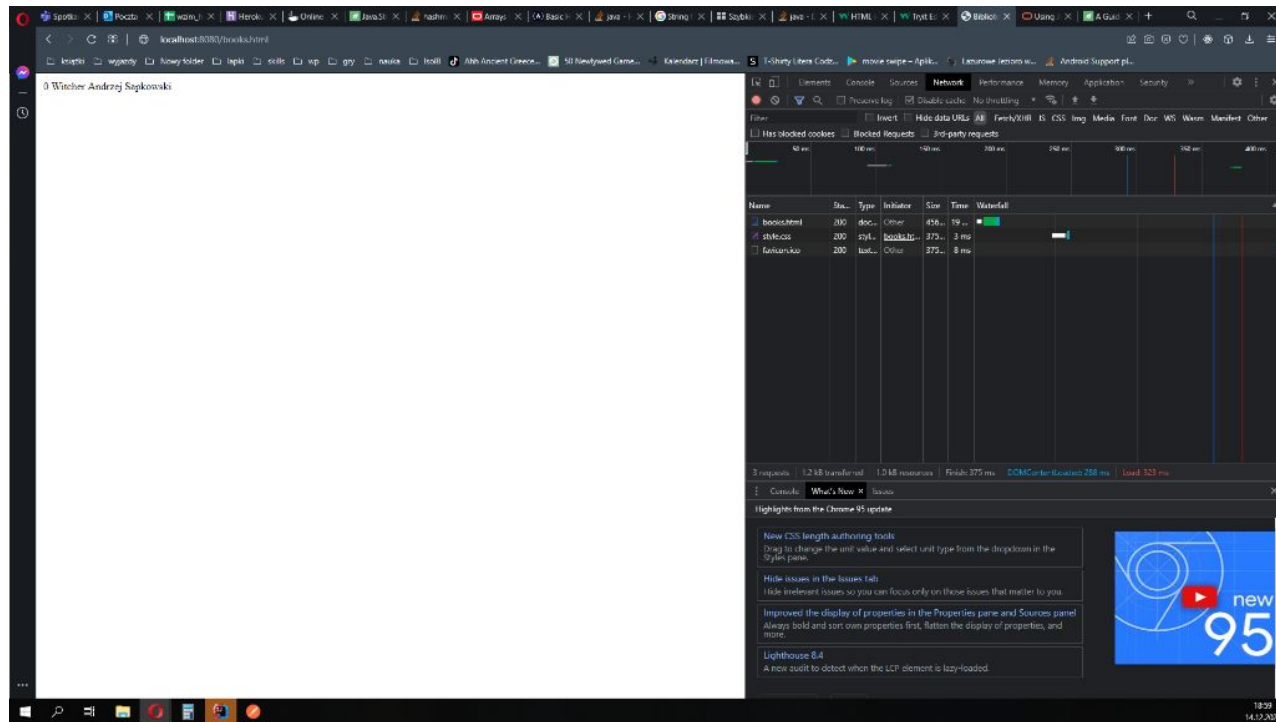

Below the table, it shows summary statistics: 3 requests, 1.6 KB transferred, 1.4 KB resources, Finish: 286 ms, DOMContentLoaded: 158 ms, Load: 214 ms.

At the bottom, there are highlights from the Chrome 95 update:

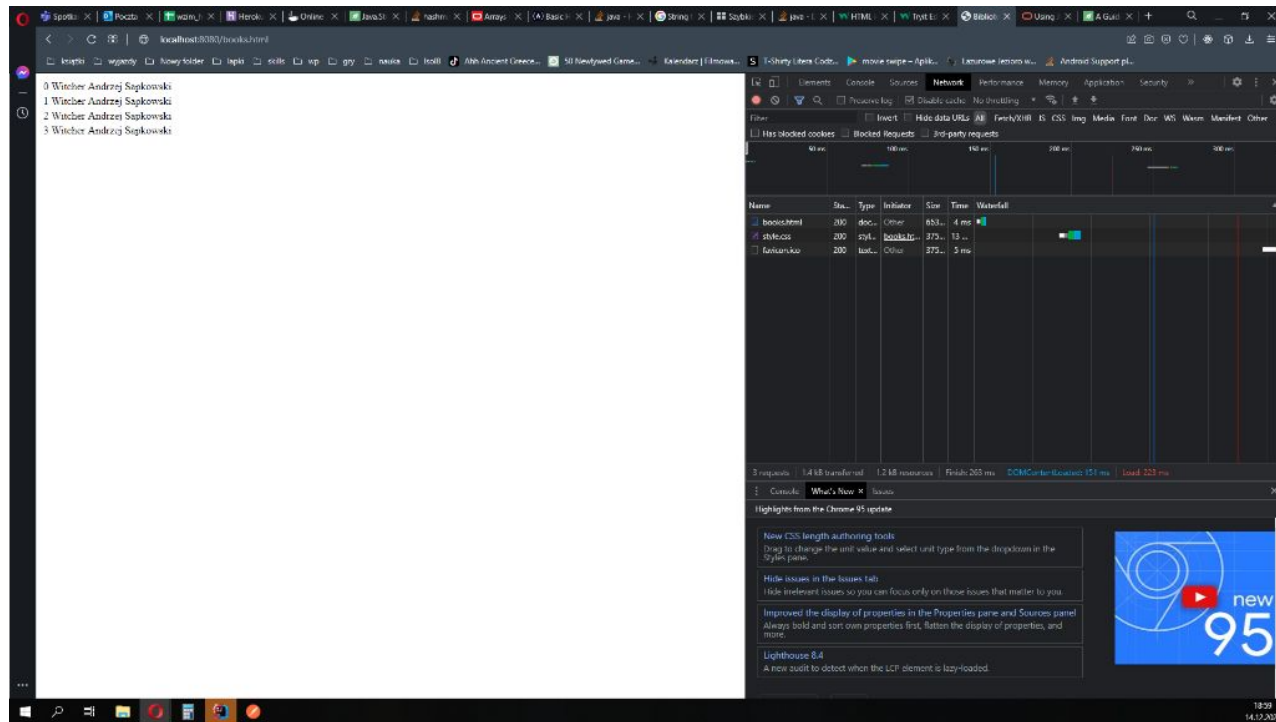

- New CSS length unit authoring tools**  
Drag to change the unit value and select unit type from the dropdown in the Styles pane.
- Hide issues in the Issues tab**  
Hide irrelevant issues so you can focus only on those issues that matter to you.
- Improved the display of properties in the Properties pane and Sources panel**  
Always bold and sort own properties first, flatten the display of properties, and more.
- Lighthouse 8.4**  
A new audit to detect when the LCP element is lazy-loaded.

The bottom right corner of the DevTools window shows a "new 95" badge.

# po dodaniu książki

# powtórzenie wysłania zapytania wielokrotnie

# edycja książki z id 1

The screenshot shows a web browser window with a form titled "Formularz edytowania książki1 - Witcher - Andrzej Sapkowski". The form contains fields for "Title" (filled with "sada"), "Author name" (filled with "Andrzej"), and "Author surname" (filled with "Sapkowski"). There is also a button labeled "Edytuj książkę".

Overlaid on the right side of the browser is the Chrome DevTools Network tab. It displays a list of network requests:

Name	Size	Type	Initiator	Size	Time	Waterfall
updatebook.htm...	200	docu...	Other	996...	38...	
styles.css	200	styl...	update...	375...	10...	
favicon.ico	200	ic...	Other	375...	22...	

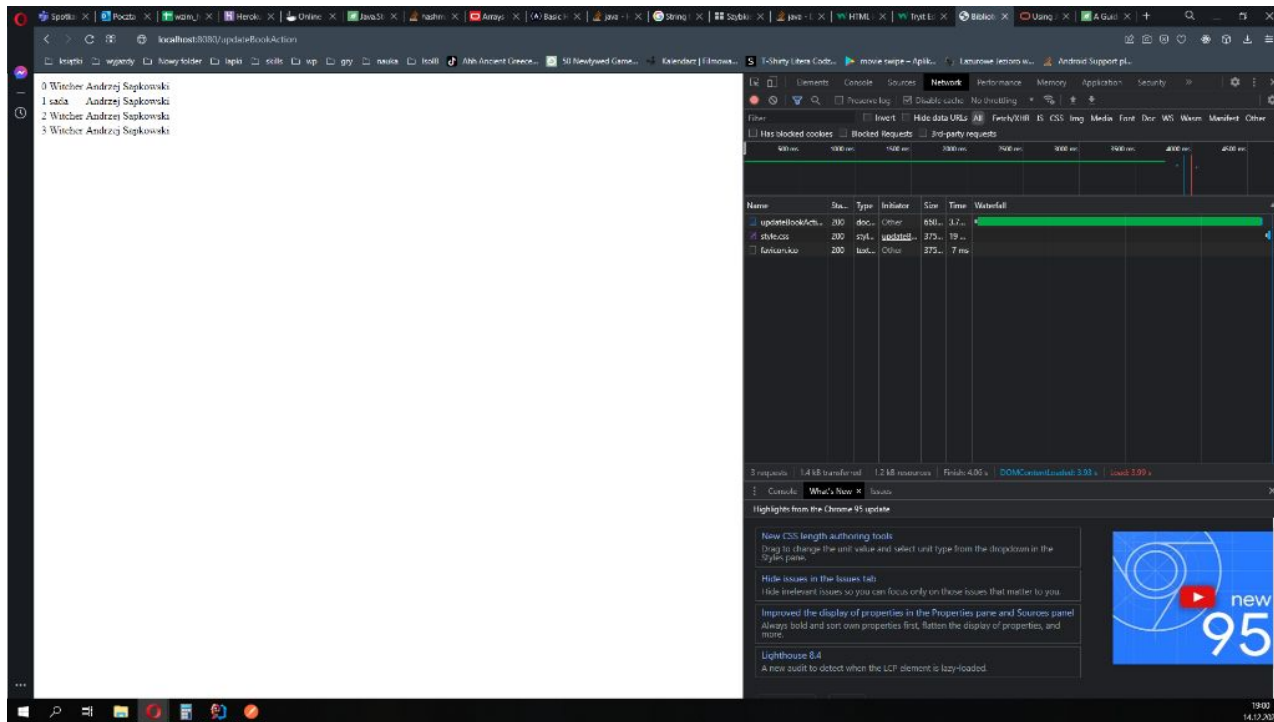

Below the table, summary statistics are shown: 3 requests, 1.7 kB transferred, 1.6 kB resources, Finish: 383 ms, DOMContentLoaded: 228 ms, Load: 320 ms.

At the bottom of the DevTools window, there is a "What's New" section with highlights from the Chrome 95 update:

- New CSS length unit authoring tools**  
Drag to change the unit value and select unit type from the dropdown in the Styles pane.
- Hide issues in the Issues tab**  
Hide irrelevant issues so you can focus only on those issues that matter to you.
- Improved the display of properties in the Properties pane and Sources panel**  
Always bold and sort own properties first, flatten the display of properties, and more.
- Lighthouse 8.4**  
A new audit to detect when the LCP element is lazy-loaded.

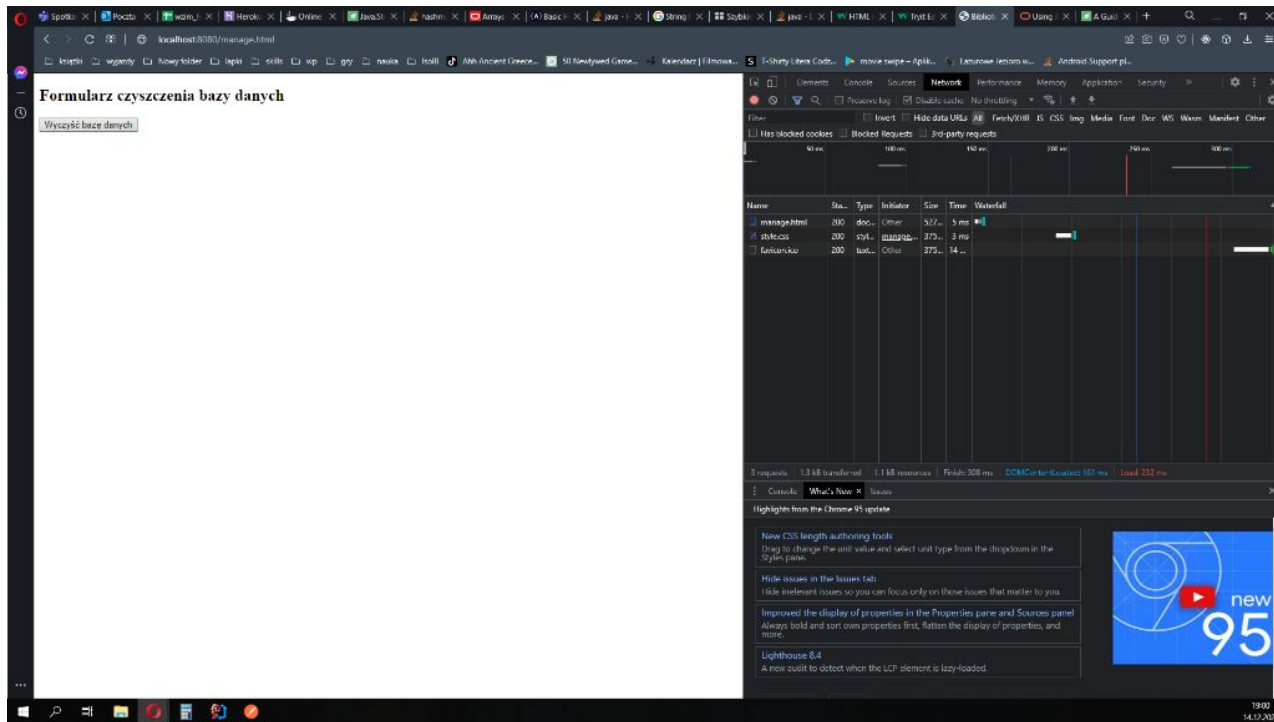

A large blue graphic with the number "95" and a play button icon is also visible in the bottom right corner of the DevTools window.

# po dodaniu wyświetlenie aktualnego stanu bazy

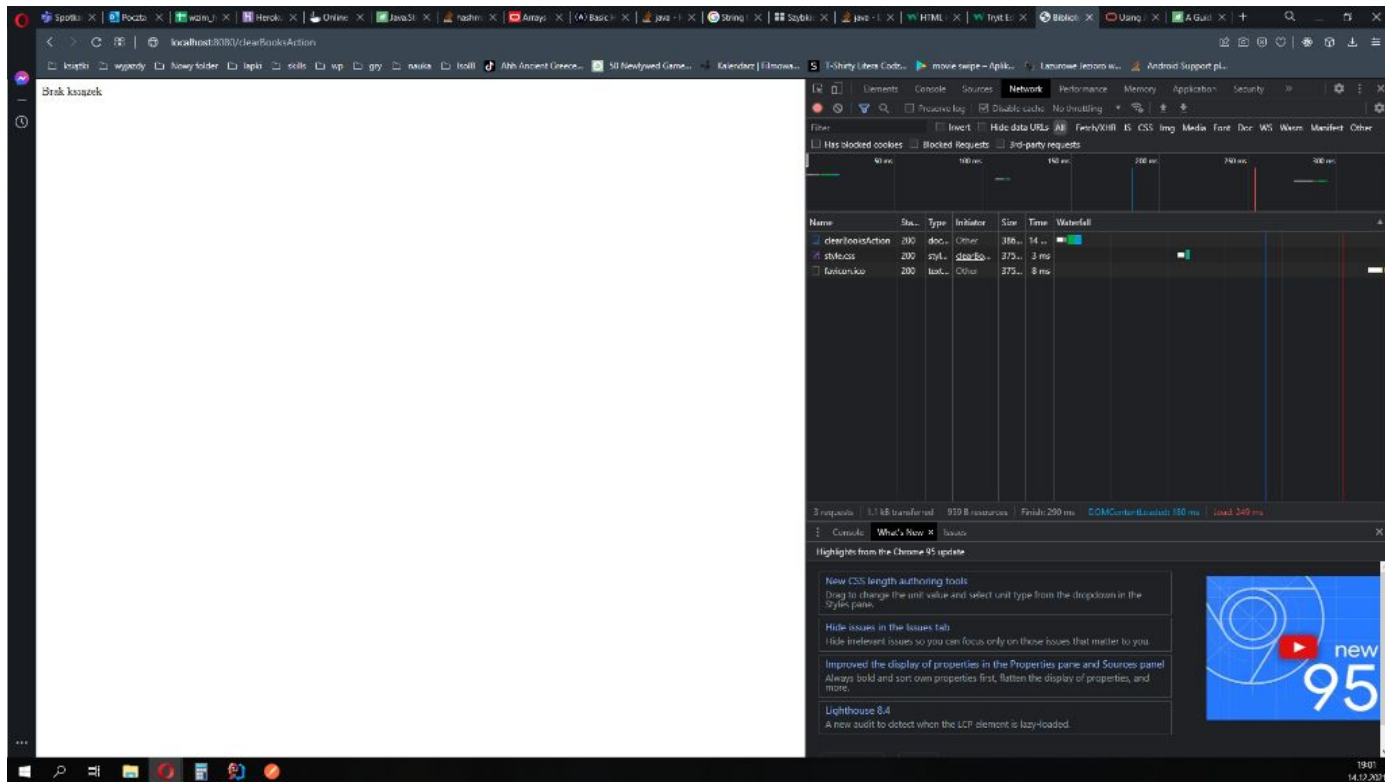

# formularz czyszczenia bazy danych

# po wyczyszczeniu stan bazy

The screenshot shows a web browser window with the address bar displaying `localhost:3000/clearBooksAction`. The page content is empty, showing the text "Brak książek". The Chrome DevTools Network tab is open, displaying a list of requests and a waterfall chart. The requests are:

Name	Size	Type	Initiator	Size	Time	Waterfall
clearBooksAction	200	doc	Other	386...	14 ms	
shite.css	200	styl	clearBooksAction	373...	3 ms	
Katanka	200	kat...	Other	273...	8 ms	

The waterfall chart shows the timing of these requests. The status bar at the bottom of the Network tab indicates: 3 requests, 1.1 KB transferred, 939 B resources, Finish: 200 ms, DOMContentLoaded: 180 ms, Load: 249 ms.

Below the Network tab, the "What's New" section is visible, featuring highlights from the Chrome 95 update:

- New CSS length unit: `length` units
- Hide issues in the Issues tab
- Improved the display of properties in the Properties pane and Sources panel
- Lighthouse 8.4

The system clock in the bottom right corner shows 19:01 on 14.12.2021.
